Special Temporary Authority
BSTA-20160912ABO

Dear Licensee:

This is in reference to the request filed September 12, 2016, on behalf of Southern Nevada Educational Broadcasters ("SNEB"). SNEB requests Special Temporary Authority to operate KEKL with reduced power through a one-bay temporary antenna mounted 22 meters above ground level, due to lightning and wind damage. A replacement antenna will need to be ordered and installed before licensed operation can resume.

The request for STA IS HEREBY GRANTED. Station KEKL may operate with the facilities described in the STA request. SNEB must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on March 18, 2017.

Sincerely,

Dale Bickel
